Congratulations! You have successfully completed the free online offering of Software Engineering for Software as a Service (Part I), offered February to April, 2012. To successfully complete this free online class, students were required to watch lectures, complete quizzes, and do weekly assignments. According to our automated system, your scores on these components were as follows:

- ✓ Quizzes: **52.6** out of a maximum of **63**
- ✓ Assignments: **2000.0** out of a maximum of **2000**
- ✓ Scaled total (Quizzes doubled): **2105.1** out of a maximum of **2126**

We thank you for your interest in studying software engineering and for participating in our ambitious experiment to deliver quality educational content to a worldwide audience!

Sincerely,

Armando Fox & David Patterson

Please note: This online offering of Software Engineering for Software as a Service does not reflect the entire curriculum offered to students enrolled at UC Berkeley. This statement does not affirm that you were enrolled as a UC Berkeley student in any way; it does not confer a UC Berkeley grade; it does not confer UC Berkeley credit; it does not confer a UC Berkeley degree or a certificate; and it does not verify the identity of the individual who took the course.
